

Contract Availability

The Higgins Group is a market leader in the potato industry when it comes to contracting processing potatoes in the UK.

We currently have competitive contracts available for the chipping and crisping sectors, all of which have seed availability too.

Are you interested in knowing more?

If so, please call:

Shaun Langley
Operations Manager

or

Stephen Uttridge
Commercial Director

+44 1366 502118
+44 7887 715808

+44 1302 770591
+44 7768 866815

As well as contracts, we also have seed available for free trade through our seed breeding and multiplication facility in Scotland.

For your seed needs please call:

Alan Stuart
General Manager (Seed)
