

POTATOGROW.COM

A new website for the potato enthusiast

The Higgins Group, a company steeped in potatoes, has launched a new website to cater for the market of growing and enjoying potatoes dug fresh from the garden or allotment.

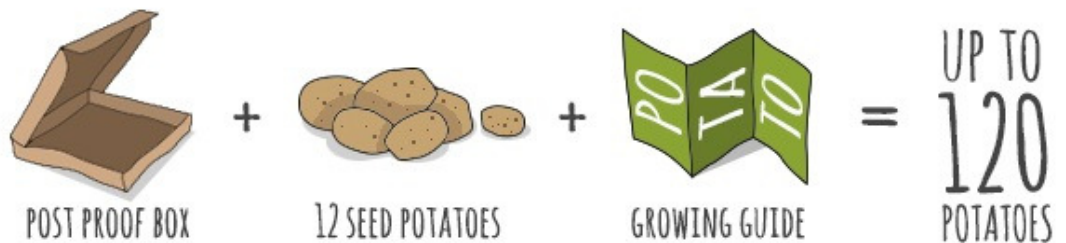

The website, potatogrow.com, will showcase best varieties of Scottish seed potatoes which will be hand-selected and delivered directly to the door.

CHOOSE A VARIETY

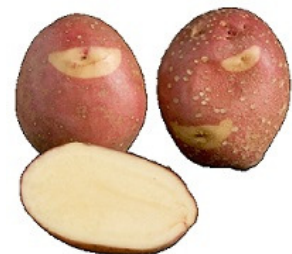

The site contains advice about variety selection, a comprehensive guide to growing perfect potatoes and useful recipe ideas.

WHAT'S INCLUDED

THE UNMISTAKEABLE WHITE 'SMILE'

As well as being very competitively priced, the site only contains seed either grown by Higgins or selected as the best available stock by Higgins seed experts.

GROW.COM

The site contains a number of varieties which have been bred by Higgins which can only be purchased via potatogrow.com.
