

BRITISH POTATO 2015

This bi-annual event will be held in Harrogate on the 12th and 13th of November.

Always a very popular meeting place for all sectors of the trade, the show will be in a new venue in the Harrogate Conference Centre.

Come and visit us on Stand H17 in Hall H which is the first hall after registration.

The stand will be manned on both days by staff from all areas of our business and we will be displaying new varieties and exciting new initiatives we are pursuing to drive up potato sales.
