Family business – family values

# Smile

**From its first appearance Smile attracted great interest due to its unique colouration.**

With its bright red skin and distinctive white "smile" around the eye this variety is unmistakable. It has been added to the gourmet range of a major UK retailer which is testament to its excellent eating qualities.

This is a potato which customers will notice and come back to buy again.

Description	
Origin	Rode Eersteling x SVP P80 1756 619 (1990)
